Throughout the pandemic, we have continued to support efforts to connect learners with the natural world through virtual and outreach opportunities. As we softly reopen, we look forward to hosting our community and school partners on the Cheakamus campus for healthy and inspiring experiences in nature.

Sincerely,

The Cheakamus Centre team

We would like to thank the Skwxwú7mesh Nation, upon whose unceded traditional territory Cheakamus Centre resides. We value the opportunity to welcome others to learn, gather and share in nature on this traditional territory.
