CHEAKAMUS

nature is in session

nature is in session

Thank you for considering *Cheakamus Centre* for your upcoming event. We are delighted to have the opportunity of working with you and welcoming your delegates to our beautiful forest setting.

A bit of background on Cheakamus Centre ...

Cheakamus Centre is a unique environmental learning centre designed to provide exceptional learning and hospitality experiences inspired by nature. Cheakamus Centre is situated on 165 hectares (420 acres) of ecological reserve in Paradise Valley, Squamish, British Columbia. Our beautiful and serene setting, just minutes from the Sea to Sky highway, is surrounded by forested nature trails, wild salmon streams, ancient cedars, and has over 3 kms of private river frontage. The property is home to some of the largest recorded concentration of wintering bald eagles in North America, as well as the Dave Marshall Salmon Reserve that was established to protect critical habitat and spawning channels for five species of pacific salmon. An amazing diversity of flora and fauna can be found in our nature sanctuary.

Cheakamus Centre was established in 1969 and is owned by the North Vancouver School District. Over 5,500 children and youth from the lower mainland and beyond participate in educational programs at Cheakamus Centre each year. Cheakamus Centre also hosts visitors from around the globe for special events, retreats, conferences, seminars and workshops. Proceeds from these facility rental fees help support our transformative learning experiences for children and youth. Thank you for your support!

Accommodation:

Cabins: Cabins Layouts

\$30.00 per person per night plus 5% GST & Facility Fee

(For groups over 40 people) (minimum of 10 people per cabin/per night)

The heated rustic cabins can accommodate up to 16 people each with 2 shared washrooms; the cabins can be divided into two spaces using the central locked door.
